

## Simeon organizational changes

The following organizational changes have been made in Simeon's operations in Sweden (PLM/Petroleum Logistik in Mittskandinavien AB):

**Fred Petrini** has been appointed as interim country manager with responsibility for Simeon's operations in Sweden

**Andreas Andersson Maltsén** has been appointed to be responsible for fleet, SHQE, and to work as contract manager in Sweden

Fred and Andreas are both members of Simeon Sweden's management team.

The changes will take effect on the 7.12.21

Stockholm, 6.12.2021
